

## **DON'T SETTLE FOR LESS WHEN YOUR BUSINESS IS RIDING ON IT!**

Is direct service between Canada and the U.S. taking a week or more on your shipments? Are you filling out too many damage claims? Is your business suffering because of it? There is a solution!

At **ShipNorthAmerica Transportation**, we offer the fastest transborder service when moving goods between Canada and the U.S., period. And not coincidentally, we also boast an unusually low percentage of claims for damage. Here's why.

We pick up your shipments and move them direct to their destination on dependable air-ride equipped highway power units. There are no costly delays at breakbulks or

intermediary terminals. We also clear your shipments right at the border avoiding time-consuming customs delays and/or lost paperwork. While your shipment is in transit we continually track its progress and ensure a speedy delivery.

The highly qualified professional carriers we work with take great pride in their vehicles and the utmost care with the cargo they carry. Your shipments are floor-loaded and not double-stacked. As well, your shipments are not handled or transferred between their origin and destination delivery points avoiding the potential for unnecessary damage.

Fast, reliable direct Canada / U.S. service providing you with a seamless transportation experience. Call us today to discuss your transborder shipping needs.
